

Submission & Peer Review Timeline Special Issue VSI: AdvPhotoCat-E 2017:

- Submission deadline: **15 September 2017** : All papers should be submitted before this date and the option to submit online via the submission system (EES) will closed.
- Acceptance deadline: **15 January 2018**: All manuscripts must be peer reviewed and final decisions (accept or reject) made for all articles by this date.

Submission information:

How to submit your contribution to the Special Issue **VSI: AdvPhotoCat-E 2017**:

1. Go to: <http://ees.elsevier.com/apsusc/default.asp>
2. Go to: “submit paper” link on the upper menu in the page

You will see the following window:

Selecting an Article Type is Required for Submission.

If you are submitting this manuscript for a Special Issue, please ensure you select the appropriate **Special Issue Article Type, otherwise there is a chance that your paper will be published in a regular issue.**

All new submissions to Applied Surface Science will be scanned to detect plagiarism or duplicate submission.

Choose Article Type: **select ‘VSI: AdvPhotoCat-E 2017’ from the dropdown list**

3. Follow the steps of a normal submission at Applied Surface Science journal.

We are looking forward for your valuable contributions,

Special Issue Editors
