CALL FOR ABSTRACTS

1st International Workshop Advances on Photocatalysis, **AdvPhotoCat2015**, focuses on the key scientific issues in experimental and theoretical aspects of photocatalysis and real life applications. It tries to open an extensive discussion covering all areas involving photocatalysis between professionals from academia, research and industry.

This workshop will review the fundamentals of photocatalytic processes and their application to environmental remediation, solar fuels production and energy, green chemical synthesis, etc. On behalf of the Organizing Committee we are pleased to invite you to participate in this event that will take place at **Alexandru Ioan Cuza University of Iasi, Romania**, between **July 6 and 8, 2015**.

The event will feature invited, oral presentations and a poster session.

The proposed topics are:

- Photocatalysis basic research
- Photocatalytic materials
- Applications: environmental energy, green chemistry, etc.
- Photoelectrochemistry

The abstracts can be submitted by e-mail at contact@photocatalysis-workshop.com. For details regarding submission please check the event website www.photocatalysis-workshop.com.

The **deadline** for submitting **abstracts** is ~~25th of April 2015~~ **15th of May 2015**.

Authors will be notified of acceptance and mode of presentation of their paper before ~~5th of May 2015~~ **25th of May 2015**

Information about manuscripts publication and social program will be posted soon on the website. The website will be regularly updated so, please visit it from time to time to keep informed.

We would appreciate if you could disseminate this call for abstracts to your colleagues which may be interested to attend AdvPhotoCat2015.

We are looking forward to meeting you at AdvPhotoCat2015 in Iasi, Romania.
